

DEFINING THE WARRANTY

Ethan Allen proudly provides you, the original retail purchaser or the gift recipient, with the limited warranties on your Ethan Allen product described herein. These warranties apply to products purchased from an authorized Ethan Allen retailer or online (ethanallen.com or ethanallen.ca), and apply only under conditions of normal, indoor, residential use unless the item is specifically designated as suitable for outdoor use subject to certain limitations and exclusions. Our residential products are not designed for commercial settings.

WARRANTY LIMITATIONS AND EXCLUSIONS

Because of the natural variations in wood and the hand-finishing techniques used to create many Ethan Allen products, finish colors may vary from piece to piece. These warranties do not cover such variations or any differences between floor samples, swatches, or printed illustrations and your item(s). Ethan Allen is also not responsible for color variations in fabric or leather upholstery due to dye lot variations that may occur with nonconcurrent orders. Ethan Allen warranties do not cover products sold "as is," purchased from a source other than an authorized Ethan Allen retailer, used in a commercial or nonresidential setting, or shipped outside the contiguous U.S. or Canada by you or a freight forwarder. Any product modification by retailer or consumer, or use of non-Ethan Allen parts, voids this warranty.

The remedies provided in this brochure are exclusive and, to the extent allowed by applicable law, are in lieu of all other remedies, warranties, or representations; express, implied, or statutory; including but not limited to any implied warranty of merchantability or fitness for a particular purpose and all other obligations and liabilities, whether in contract or in tort, all of which are expressly disclaimed herein. In no event shall Ethan Allen be liable for special, consequential, incidental, or other damages.

This warranty is valid only for products purchased in the contiguous United States or Canada after March 1, 2026.

YOUR RIGHTS

This warranty gives you specific legal rights, and you may also have other rights, which may vary by location. Some states (in the U.S.) and provinces (in Canada) may not allow the exclusions and limitations on incidental and consequential damages or the limitations on implied warranties, so the described limitations may not apply to you. However, **proper care and use are essential for preserving your rights under this warranty.** For complete use and care instructions, please refer to the Ethan Allen Use & Care brochure, available at your local Ethan Allen Design Center and online (ethanallen.com or ethanallen.ca).

WARRANTY SERVICE

If you have an issue with your Ethan Allen product that you feel is covered by this warranty, contact the Ethan Allen Design Center where you made your purchase or your nearest authorized Ethan Allen retailer. **You will need your dated sales receipt to initiate your warranty claim;** it will also be helpful to have your delivery ticket, if applicable, as the warranty period begins at the time you receive the product in your home. If you live outside of our delivery service area, then you may be responsible for paying service fees or you may be required to return the product to the closest Design Center. The sole remedy provided by Ethan Allen under this warranty will be to repair or replace product or any part thereof. Ethan Allen reserves the right to decide the appropriate remedy at its sole discretion. If we decide to replace a product we no longer sell, we will replace it with a comparable product of equal or lesser value which is of like kind, age, and quality. Refunds, if any, will be adjusted for the product's use and age. If your product is repaired or replaced, the limited warranty will not be renewed or extended. Should you have any questions or concerns, please contact your local Ethan Allen Design Center.
